FORWARDING ENGLISH-LANGUAGE ABSTRACTS

As a safety measure, Applicant forwards Derwent and JAPIO English language abstracts corresponding to DE 3514817; JP 59-030871; JP 62-273826; and JP 02-188233. The latter foreign patent documents were submitted with an information disclosure statement and Form 1449 filed on May 31, 2002. Applicant's records suggest that these abstracts may have been inadvertently overlooked.

Applicant apologizes for any inconvenience this apparent oversight may have caused.

Respectfully submitted,
